ART UNIT 1615

Art Unit: 1615

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The instant application is based on 60/041,551 which was 08/643,919 before being converted into a provisional application. Prosecution had followed to a point where an interview had shown that the prior art cited in that case (the same IDS) did not disclose the claimed washing step, or the same level of residual solvent. It was agreed that these rejections would be withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos Azpuru whose telephone number is (703) 703-0237. The examiner can normally be reached on Tuesday-Friday from 6:30 am to 6:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman Page, can be reached on (703) 308-2927. The fax phone numbers for this Group are (703) 305-3592 and 305-4556. Unofficial faxes (such as

Art Unit: 1615

proposed amendments to be used for an interview) may be sent to (703) 308-7924 or 7921. Unofficial faxes are intended for papers which will not become part of the official file, and it is requested the Examiner should be contacted in order to ensure prompt attention.

Communications via Internet e-mail regarding this application, other than those under 35 U.S.C. 132 or which otherwise require a signature, may be used by the applicant and should be addressed to [**thurman.page@uspto.gov**].

All Internet e-mail communications will be made of record in the application file. PTO employees do not engage in Internet communications where there exists a possibility that sensitive information could be identified or exchanged unless the record includes a properly signed express waiver of the confidentiality requirements of 35 U.S.C. 122. This is more clearly set forth in the Interim Internet Usage Policy published in the Official Gazette of the Patent and Trademark on February 25, 1997 at 1195 OG 89.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group receptionist whose telephone number is (703) 308-1234.
